U.S. Senator Cory Gardner
354 Russell Senate Office Building
US Senate
Washington, DC 20510

Dear Senator Gardner:

We wish to express our support for the "Rocky Mountain National Park Boundary Modification Act."

This legislation will honor the desire of former astronaut Vance Brand to convey forty acres of land to Rocky Mountain National Park. The land, located in Larimer County, is directly contiguous to the park and will be a valuable addition.

Rocky Mountain National Park is one of the most popular national parks in the country. This legislation is a great opportunity to enhance the park, with no cost to the taxpayers.

Sincerely,

Tom Donnelly
Chair, District 3

John Kefalas
Chair Pro Tem, District 1

Steve Johnson
